

URBAN ART 2024 Exhibitors Information

Find below answers to the common questions we are asked by exhibitors. Please read carefully and if you have any more of your own please let us know:

PARKING - Parking on Josephine Avenue is free at weekends so you should be able to park next to your pitch.

SET UP TIMES - From 8:30am onwards, please NO EARLIER. If for any reason you are going to be late please let us know by 10:00am. Pitches not set up and manned by 10:30am will be re-allocated to another exhibitor.

NO ACCESS FROM BRIXTON HILL - Please be aware that the Brixton Hill end of Josephine Avenue is closed. Access is via Brixton Water Lane only.

HANGING FLAT - All work must be hung (no leaning against railings please) and lie flat against the railings.

CHAIRS - Our agreement with the council is we must not obstruct the pavement. You are allowed one folding chair, but no boxes, browsers, easels, tables, etc. (Organisers reserve the right to remove unsuitable objects.) The only exception to this is exhibitors on the fencing in the centre of the street who are allowed a browser or easel.

NO SELLING FROM VEHICLES - Again, our agreement is that work must only be sold from the railings.

TOILETS - We provide a mens and womens portaloos which can be found behind pitch number 39J. Keys available from the information desk.

CASH MACHINES - There are cash machines at both Sainsburys; Brixton Hill and Tulse Hill Parade.

WRAPPING - There will be a small wrapping station next to the information desk.

SUN CREAM - Some pitches on the even side of the road can get quite hot so hats and sun cream are advised.

RAIN COVER - In the case of a shower we advise all exhibitors to bring cover. Thin plastic 'dust sheets' can be obtained from DIY stores and attached using clothes pegs.

FOOD - We have four refreshment stalls selling a variety of food. See maps on lamp posts for locations.

PITCH SIZES - on average full railing pitches measure 6 metres wide, half pitches measure 3 metres.

10% COMMISSION - Urban Art is also a fund raising event for our local charity partners who provide the volunteers during the weekend. At the end of each day you must report back to the Information Desk and declare your 10% commission on any work sold that day. If you do not sell you must still report back to the Information Desk. Your allotted marshal shall give you the necessary paper work and explain more on the day.

SUGGESTED HANGING METHOD FOR RAILINGS...
